

BIDDING FOR HOSTING 16th ICCC

We now invite organizations wishing to host the next International Congress on the Chemistry of Cement to send a letter of intention to the secretariat of 15th ICCC. Those with strong academic background and organizational capabilities are eligible to be considered to host 16th ICCC. Details about the bidding are as follows:

1. The committee for selecting the host country for 16th ICCC will be composed of the members of the permanent Steering Committee with additional possible international experts.
2. All organizations are now formally invited to place a bid to hold the 16th ICCC.
 - Countries who intend to bid for hosting the 16th International Congress on the Chemistry of Cement must send a letter of intention to the 15th ICCC Secretariat by no later than **March 1, 2019**. The intention letter should be backed up with certain evidence such as the academic background and organizational capabilities of the organization.
 - In the beginning of April 2019, the invited applicants will receive the aggregate framework information for congress organization and bid processing.
 - **Three printed copies of bidding book** must be sent with the electronical version in .pdf format and which should include information on location, sponsorships, venues and so on, must be received by the Secretariat of 15th ICCC by **June 1, 2019** at:

Secretariat of 15thICCC (Mr. Jan GEMRICH)
Czech Cement Association - Svaz výrobců cementu ČR
K Cementárně 1261/25
CZ153 00 Prague 5 – Radotín
